Additions to the Supplementary Regulations

- Additional Regulations

5. Once a competitor is **scrutineered and approved under a specific competitor category**, i.e. Beginner, Intermediate or Expert, **they're not allowed to switch from the category** during the event.

Amendments to the Supplementary Regulations

- Additional Regulations

3. **Day 1 Stages** are usually meant to help the team prepare better for additional stages the following day. They're also meant to help speed up the event. It is recommended competitors participate in the Saturday stages so as to increase their odds of winning the event. Competitors who fail to participate on Saturday, 20th/April/2019 **incur a 2 minute penalty on their overall time**. In addition, **no penalties will be awarded** to teams competing on Day 1. This only applies to teams competing on Day 1. It's a day set aside for shakedown and tune-up.

Have an amazing event,

Edward N. Ndukui,
Clerk of Course.
